

On behalf of

LR-International Cosmetic & Marketing GmbH, Ahlen,

INSTITUT FRESENIUS has examined

ALOE VERA GEL LIFE ESSENCE

and confers the seal of 'Certified Quality' on it within the terms of the conducted examinations.

The quality is attested by means of on-going controls:

- microbiological and chemical raw material controls
- Aloe Vera assay and authenticity screening
- hygiene-relevant examinations
- auditing of sub-contractors and production site

No health-related statements may be assumed from the issue of the seal of 'Certified Quality'.

The Certificate is valid until 31.12.2004.
