Dermatological test on humans in 2002/2003

**The dermatological-allergological test performed by us
on your products under the control of dermatological specialists**

is passed by these products with the rating „very good“.

The products didn't lead to allergic or toxic-irritative intolerance reactions in epicutaneous testing in accordance with international guidelines. Therefore the products are assessed as very good.

Dr. med. Werner Voß
Investigating specialist
for dermatology, allergology
venerology and environmental medicine
